

LITHUANIAN EXPERIENCE AND PREPARATIONS FOR THE APPLICATION OF THE GDPR

Indrė Skersytė

Ministry of Justice of the Republic of Lithuania

25 May 2018, Riga

Challenges

- 2 years – too much to do, not enough time?
- Public/private sector
- Concerns? Criticism? Positive effect?
- Role of DPA

National data protection reform package (GDPR)

- Draft Law on Legal Protection of Personal Data
+ 9 other draft laws
- Sectoral laws

Draft Law on Legal Protection of Personal Data (1/2)

- Personal identification number
- Processing and freedom of expression and information
- Processing in the context of employment
- Child's age to give consent in relation to information society services
- Administrative fines

Draft Law on Legal Protection of Personal Data (2/2)

- Supervisory authorities
- Strengthening independence of DPAs
- Accreditation of certification bodies

Thank you for your attention
